

All Niskayuna Town Residents may use the Transfer Station. There is a \$55 annual permit fee in addition to the charges listed in this brochure. There is also a 3-day permit for \$30. Disposal fees for recyclables and residential waste are paid with a \$10 punch card which may be purchased at the Transfer Station Office on days of operation. Attendants will punch the card based on size, number, and content of your bags.

Niskayuna Transfer Station

The Town's Transfer Station is dedicated to providing town residents with a place to bring their recyclables, household garbage and bulk items, and have them disposed of in a responsible manner.

The Transfer Station is located behind the Water and Sewer Garage, 2555 River Road next to Blatnick Park
