

NISKAYUNA RESIDENTS

HYDRANT & WATER MAIN FLUSHING

2016 Flushing begins on
(weather permitting)

MONDAY, APRIL 4th
for ZONES 1-7

Zones 8 & 9 dates to be announced
(dependent on City Flushing Schedule)

Flushing may cause discolored water.

The water is still safe to drink but clothes laundering is not recommended until the water clears up.

To find the dates for your zone, please visit

www.niskyuna.org

or you can call the Water Department at 377-8411.
