

The Town of Niskayuna now offers a way to honor a loved one or commemorate a special event by establishing a public tribute! Make the memory last forever when you purchase a **Niskayuna Park Bench**.

Memorial Bench: \$450

All benches are 4-feet-long, made with an ornate, cast iron black powder coat painted frame. The seat and back are made from 100% recycled plastic, a dense, durable product, offering a long lasting, attractive appearance that will not splinter or rot, and is resistant to mold and insects. The color is cedar.

A 2.5" x 6" gold/black outdoor plastic plate is affixed to the bench, the donor may request up to four lines of text.

The donor may request the location for placement of the bench in a Town Park. The Town of Niskayuna has final approval of the exact location.

Steps to Apply

1. Choose your location (Town Hall Green, specific park).
2. Choose desired location within the green or park.
3. Determine plaque wording.
4. Submit written documentation (email or letter) with request, location and wording, including contact information. After approval, Town staff will contact you to finalize the request.
5. Make payment through the mail or in person. Please make checks payable to Town of Niskayuna. Delivered payment to Supervisor's Office, Nicole Salamone.
